WINDOWS WARE

MISSION

Windows Ware's aim is to open museums for the public in New York area which will create an impact in the external economic environment. Windows Ware will promote creativity and art. It's main focus is to target fashion lovers, students, artists and educators.

Why give importance to art?

"Nonprofit arts across the nation are the $166 billion enterprise that supports 4.6 million full-time equivalent jobs and generates $27.5 billion in government revenue -- federal, state and local taxes and fees (Nelson, 2017)."

PRODUCTS

Windows Ware provides high quality products which are reliable, authentic and trusted by experts in the fields of arts and fashion. Unlike the cheaper products sold online, the customers can trust that Windows Ware items can never be fake.
