

# Art 101: Art History I

## Assignment #1 – DUE 27 FEBRUARY 2018

You are to write a short, 2-3-page essay on the following sculpture and why it should or should not be classified as a Venus Figurine. You must clearly choose one side of the argument, NOT both!

Be sure to introduce the artwork you are to write about by including what it is made of, where/when it was found, and a brief description of the piece. THEN give a short analysis of it based on your knowledge of Stone Age Art.

You must also include copies of all sources used, with the sections/paragraphs you got your information from underlined/highlighted; this includes all web and print sources used! Failure to do so will result in a deduction in your assignment grade.

**Formatting: use TIMES NEW ROMAN 12-point font,  
double-spaced, with 1 in (2.5 cm) margins!**

**Also, be sure to cite your sources according to the MLA style guide.**
