THE COUNCIL OF CHIEF STATE SCHOOL OFFICERS

The Council of Chief State School Officers (CCSSO) is a nonpartisan, nationwide, nonprofit organization of public officials who head departments of elementary and secondary education in the states, the District of Columbia, the Department of Defense Education Activity, and five U.S. extra-state jurisdictions. CCSSO provides leadership, advocacy, and technical assistance on major educational issues. The Council seeks member consensus on major educational issues and expresses their views to civic and professional organizations, federal agencies, Congress, and the public.

NATIONAL POLICY BOARD FOR EDUCATIONAL ADMINISTRATION

The following organizations and councils are members of the National Policy Board for Educational Administration (NPBEA): American Association of Colleges for Teacher Education, American Association of School Administrators, Association for Supervision and Curriculum Development, Council of Chief State School Officers, National Association of Elementary School Principals, National Association of Secondary School Principals, National Council for Accreditation of Teacher Education, National Council of Professors of Educational Administration, National School Boards Association, and University Council for Educational Administration.

Educational Leadership Policy Standards: ISLLC 2008

For the past two years, the NPBEA Interstate School Leaders Licensure Consortium (ISLLC) Steering Committee has been working to revise the ISLLC Standards. This steering committee asked each NPBEA organization to obtain input from their respective constituencies regarding the revision of the ISLLC Standards. The NPBEA/ISLLC Steering Committee also created a national Research Panel that identified the research base for updating the ISLLC Standards. A document, to be released in the spring of 2008 by CCSSO, will present the updated standards, explain the research behind the revisions, and provide other material explaining how the policy standards can be used. This following document is to present the standards and functions that were approved by the NPBEA Executive Board on December 12, 2007.
